Professional Experience

Lead Tech, Omart kenya 📁 2021 | Mombasa, Kenya
-Develop technical aspects of the company's strategy to ensure alignment with its business goals
-Supervise system infrastructure to ensure functionality and efficiency
-Led and managed a team of 3 developers and designers to create efficient, effective, and aesthetic e-commerce websites for Omart Kenya.
-Oversaw concept mock-up and wireframe design to further client satisfaction by 35%.
-Led bi-weekly standup to celebrate team successes, address weaknesses, and assign tasks. This increased team efficiency by over 50% while decreasing time-to-deployment by an average of 3 days.
-Communicate technology strategy to partners and investors
-Conceptualized, created, and managed dynamic web pages for data display and entry using appropriate technologies (HTML, Laravel, and Web CMS).
-Ensured the technical feasibility of UI/UX designs.
-Translated designs and wireframes into high-quality code using HTML, CSS, and JavaScript..

ict Intern, County Government of Mombasa 01.2021 – 05.2021 | Mombasa, Kenya
-System maintenance and troubleshooting
Networking
-Maintain and troubleshoot all network and computer-related issues;
-Integrate security, physical control solutions for all confidential data and systems;
